

Girl Scout Troop # 52101 is collecting donations of

# SLIGHTLY USED RUNNING SHOES

Many Kenyans do not have shoes and can get a terrible disease called hookworm, preventable by covering the toenail with a running shoe. Shoe4Africa does not want to hand out shoes, but rather hold races so people EARN shoes. Empowerment, not charity!

## **ADDITIONAL ITEMS ACCEPTED:**

- socks (new)
- running shorts (slightly used)
- running shirts (slightly used)

Drop off donations at **SKAGIT RUNNING COMPANY** in downtown Mount Vernon by April 2012.

Girl Scout Coordinator: Rebecca Spurling, 333-4261

Shoes that are too worn will be donated to Nike for recycling.

# THANK YOU!
